

## **Knowing The Doctrine**

**58min 14 sec...** I want to take just a few minutes this morning, I'll just cut back on the other message; concerning what is before us in the sense of what is really holding up the church. How far are we? Where are we in the economy of God at this particular time as to the going away of the Bride following the Resurrection. Which resurrection cannot come forth until the Bride is in a position to see it and also cannot come forth until everything that is evil is thoroughly manifested. Now you notice that Timothy, that's Paul writing and Peter used the same words concerning 'perilous times' and in 11 Timothy 3 Paul says *'know this also that in the last days perilous times shall come'* and the peril is going to be in the society of the church, the church society. *'For men shall be lovers of their own selves covetous, boasters, proud, blasphemers, disobedient to parents unthankful unholy.* Some one might say, "Well this is the world." I beg to differ. This is the church cause God doesn't give much of a comment on the world. The world is described in Romans 1 and in other portions of scripture. And this is what has come into the church; *without natural affection truce breakers, false accusers incontinent, fierce, despisers of those that are good.* And you see the church rising up very headily to lead marches and everything else the Lutherans and the Anglicans are worse than the Catholics. But I think you'll find a lot of Catholics are instigating it. They're the instigators behind it. *Traitor's heady high-minded lovers of pleasure more than lovers of God having a form of godliness but denying the power thereof from such turn away.* You can see right there this is to the church. *For of this sort are they...* so on and so on and so on; coming down the line you see Jannes and Jambres manifested. And then down to 10 it says; *but thou has fully known my doctrine.* You know Paul put that ahead of everything. What good is any conduct without the right doctrine? What good is anything? What's spouting this Message verbatim? What is it do you if you don't know what you're talking about? You know, the stupidest thing in the world is to try to teach the Bible when you don't know the doctrine. You can't do it. See.
