Bro. Lee Vayle

58 min... Healing is there for us. It's just that we many times don't press in to the promise with real patience and the Lord's???. You remember these people along with us and I and????sure appreciate your helping us hold them up in faith and believe with them because that's really our job when they get that sick...believe me I know what I'm talking about. Someone's got to stand before you if at all possible and if you have people that are sincere and understand that...that the bible saying call the elders now the prayer of faith shall save the sick...you know if that person had that kind of faith he wouldn't have to bother calling the elders. The fact is the man or the woman is down low and that person or persons that are called in must have that faith. Its incumbent upon them, that's why I believe brother Branham did say in one spot ...said they don't even have faith for divine healing how you going to have faith for a rapture.

See there's something in here you got to recognize if you're obligated to do it. And I don't feel backward telling you because I done it and it can be done. So we must exercise our faith and all those that yap at us and say we don't have active faith you only got passive. How many of them are in the pulpit saying what I'm saying? Will they stand up and say 'I'll stand for you' and 'believe God for you'? You can yap and say anything you want. You know talk is cheap except in one respect, you will reap what you yap about. You'll pay a price.

1hr 8min 33 sec... You know if you invested \$10,000.00 with Buffett in the 1950's you'd be worth 80 million dollars right now. Oh I prophesied, you sit in these pews 20 years from now there'd be 40 millionaires here. My name is Buffett. (Bro Vayle laughs) but Buffett will make you rough it. What do you think of that? What about the Lords table? 2000 years of it. *For first of all when you come together in the church I hear there be divisions among you* and I partly believe it. See there it is again. One says I'm of Paul, one says I'm of Apollo's, one says I'm of Cephas one says this.

Now listen it's very important that these people in this church speak all the same thing. Now nobody can make you and I don't know that we ever will. But it's very important to know that you sit here...you better sit here with thoughts of unity in your mind and don't sit like that fellow said, "I don't agree with you for the last two sermons". I said "what's to agree?" "Shut up I own the pulpit and I got a hundred thousand bucks in the church, I preach what I preach". "You don't like it go someplace else". You say well you're a dictator. Have I ask any of you to stay? You ask me to stay. You're the ones, I didn't.

To say the same thing...what does it mean when there's one God? Where do you place Jesus the son? What has God always done? What is the son doing now? What's he going to do? What's his position? Where is he sitting if he is sitting? Can your mind instantly jump to brother Branham time after time; after time after time and go to vindicated Word? If you can do that, you're beginning to be (in) agreement.

Then when you get in agreement you'll begin to really love each other because you love this Word and this Word then becomes your God in the sense of your tie post. Because you can not

have a tie post outside of God revealing Himself by His revealed Word. Right? That's true. Divisions are out. Anybody running around talking to you; pull you here, pull you there? Well if you want to get pulled, be my guest. I'm not going to cry too much, I haven't too much time to cry. And I also know this is 'par' for the course. We're not as it were... in God's pocket... some great wonderful lovely people...I hope we are but... who can prove anything.

*And I partly believe it...for there...oh; oh; oh, listen... For there must also be heresies among you, what's a heretic... doesn't worship correctly. Oh they're taking the Lord's Supper but 'ooh' it's in vain. And every time they get worse and worse by doing it. Ever taken any doctors medicine where you got worse and worse by doing it? Finally had to quit then you got better?*

This is it. This is it. Brother Branham said I'm the doctor. He said I held your nose tried to put the medicine down; you spit it back in my face. Doctor Branham came on the scene he was a chiropractor he adjusted the your neck oh yea so the Head could come down. Oh they screamed when the neck got adjusted and they walked out. Oh Yea destroyed the moving of God.

What would Jesus have done if they'd let him do it. Why he said if you'd only believed this was Elijah to come he said the heavens would open to you... didn't do it. What about this one? Well I'm staying with Him. William Branham's dead, so is Mohammad but William Branham's coming back. Yea he's coming back. What's he going to do? Oh I don't know too much; shake hands, and tell us about the kingdom. I don't know what's all going to happen. Now there must be heresies that they which are approved may be made manifested among you. A little trouble here, a little trouble there; little fist fight here little fist fight there. People walk off; sure let them walk, that's ok. *When you come together therefore into one place what you're doing is not the Lords supper.* For in eating every one of you taketh before other his own supper one is hungry another is drunken.

Hey!...just a minute. You know when this was written... In 59 A.D. And it's only in 53 that Paul went to the Gentiles. 6 years is all it took to get this way...man...why they turned that into début rate. *What have ye not houses to eat and drink in or despise ye the church of God and shame them that have not. What shall I say to you? Shall I praise you in this, I praise you not. Why... Because I received of the Lord that which I delivered unto you.* Now this is Holy Word; Holy Ordinance; a Holy Communion; a Holy Convocation; a Holy Partaking; it's Wholly of a Holy God. *I got from God what I told you that the Lord Jesus the night in which He was betrayed took bread and when he'd given thanks he broke it and said, take eat this is my which was broken for you this do in remembrance of me.*

Now I want to tell you something. I never got this from the apostles. It's not something somebody told me. He said God Himself told me. Now let's read this carefully. *For I have received of the Lord that which I also delivered unto you.* Now he received of the Lord. What did he receive of the Lord...this statement... *That the Lord Jesus the same night in which he was betrayed took bread.*

Listen he doesn't say the same night in which I was betrayed I took bread is that right? huh? Then who's doing the talking...God. Who's God, Elohim.. Who's he talking about...Jesus.

Then why do they read this wrong? Why didn't they read this as though Jesus came to Paul and I took bread one night and I broke it and huh...there goes your trinity? There goes your Jesus Only....right... well come on can we read it or can't we read it. I consider myself quiet nice, I've kept my temper haven't been mean tonight at all. I want some answers. Can they read or can't they read. Do you see now why the type is in our university educated men and women who can't even read especially the men. And you know why they can't read? Because most of those bozos are good clowns on a basketball or a tennis court football field or some place else.
