55min 35sec... This is a very simple thing piling word upon word; word upon word. It's just like the man that had a bottle of rocks and he began putting water in there and he said the bottles full of water...no it ain't...just start taking the rocks out. Just start saying I used to believe this but brother Branham said this, vindicated. I always was taught this but brother Branham vindicated said opposite. Just keep throwing it out; keep throwing it out; keep throwing it out. Pretty soon you're full of the Holy Ghost, plumb to the top. You won't have one thought in you that's contrary to God. Now come on, I'm telling you the truth. I'm coming to that place absolutely with the Word. Not Lee Vayle, I'm still in the flesh. But when I think of water baptism I zero in on what brother Branham taught. When I think of receiving the Holy Ghost, zero in on what brother Branham taught. When I talk of the second coming, zero in on what he taught. Talk about the appearing, zero right in scripture after scripture hundreds of quotes. I don't think any more in the old way. No, no, it's gone. Now the outer man looks pretty horrible to you poor people; I know that...I should be pretty up here with nice curly hair and all but I'm sorry I don't have it. I'm going to tell you; that inner man is very ,very rich in the Word, very ,very rich. I'm staking going right into His Kingdom on His Word...no feeling...none of my thoughts...none of my attitudes except motivation of spirit. Now this is where you start with water baptism and I'm talking to the mother and the son more than I'm talking to you. When that boy comes out of the water, that mother comes out of the water, that's when the Holy Ghost starts to really fill you up to the brim; Word upon Word begins to come into your life. The whole light begins to change on the understanding of attitude toward God who He is, who you are...relationship. All of these things become zeroing in on you and you begin zeroing back to God. Growing right up, honoring the Headship Who is here now; getting ready to meet the saints coming out of the ground, getting ready to what...simple, simple, simple. You're a child of God or you're baptized in water in the name of the Lord Jesus Christ you're just moving on. How can it be otherwise?

58min36sec... I was just thinking; you realize that every elder and every senior citizen in Christ is a boxer. He knows how to parry the blows of Satan. How does he do it, with the Word, just like Jesus? *It is written*. You know that *it is written* is more powerful than an earth quake or tornado, the dynamic forces of hell. *It is written*.
